

## **“The Dance of the Trolls”.**

“Trolldans” means “The Dance of the Trolls”.

In Scandinavian folklore, the ”Trolls” are imaginary beings who become creatures that live away from human habitation. They are considered dangerous to human beings.

## **The Troll Dance team.**

The Trolldans team, ”Trolldanslaget”, is a non-commercial and independent Folk Dance group living in Finnsnes, located in Northern Norway. We perform a few times a year, and we practice folk dancing once a week.

## **Music with “Slåttekaran”.**

We also have our own accordion band called “Slåttekaran”. You can hear them play on the music page.
